

Satan wants to consume us with the tyranny of the urgent crises in this present moment and deceive us into believing his lies. He will do everything he can to keep our eyes off of Jesus and on our problems. Satan's strategy is to block us from really knowing Him.

Let's take an introspective moment tonight and examine our hearts. Please close your eyes and take every thought captive that would exalt itself against the knowledge of Christ. The questions I'd like you to ponder:

1. How well do I know Jesus?
2. Do I know a lot about Him or do I really know Him?
3. How deep is my relationship?
4. For example, do I know, that I know, that I know, that He is faithful and true?

Jesus is eternal life.

To know Him is eternal life.

"After saying all these things, Jesus looked up to heaven and said, "Father, the hour has come. Glorify your Son so he can give glory back to you. For you have given him authority over everyone. He gives eternal life to each one you have given him. And this is the way to have eternal life—to know you, the only true God, and Jesus Christ, the one you sent to earth." John 17:1-3 NLT
